Johnny Williams Bluegrass Classic, Key of **A** My Key: ____

INTRO: **1** , **1** , **1** , **4** , **5** , **5** , **5** , **1**

CHORUS: Now I'm **1** back, to my old, ways of livin'
1 Doin' things that I don't under- **4** stand
5 Caught myself, tryin', to live the good life
And **5** be, something more than what I **1** am

I **1** once, had a good job in a small town
I **1** made, my living with my **4** hands
And **5** some,thing inside told me to ramble
There's **5** more-to-life, to find a better **1** plan
So I **1** walked, out the door and-headed down the road
Down a **1** highway, I traveled once be- **4** fore
It **5** didn't, seem to matter what I left behind
I just **5** didn't, seem to care, any- **1** more

CHORUS

INSTRUMENTAL: Same as **INTRO**

Many **1** times, now it seems I chose the wrong road
And-I've ne- **1** glected, my loved ones so to **4** say
Looking **5** back, to see who might follow
Look a- **5** head, to see who's in my **1** way
In the **1** morning when I wake up feelin' low down
And **1** I can't figure out which way to **4** go
In- **5** stead of lookin' back, on mistakes I made
I just **5** seem, to forget all, that I've **1** learned
