

*The **Look of a Perfect Diamond** - Del McCoury*

Bluegrass Classic, Key of **B^b** My Key: ____

INTRO: 2X (**4** , **4** , **1** , **1**)

Oh Lord why did I have to **4** see you
I should have looked the other **1** way
I thought that I could love then **4** leave you
I should have known I'd have to **1** pay

CHORUS:

You've got that look of a perfect **4** diamond
And your heart is hard as **1** stone
You think of love as just a **4** play house
A place to play, and then move **1** on

INSTRUMENTAL: Same as **INTRO**

Before I met you life was **4** easy
Nothing was standing in the **1** way
Why can't I rout you from my **4** memory
Erase your image now to- **1** day

CHORUS / INSTRUMENTAL

Each day is misery and con- **4** fusion
Looks like trouble's here to **1** stay
Oh I bet it's not, the **4** first time
That you tortured hearts this **1** way

CHORUS

1 = **B^b**
4 = **E^b**

A place to play, and then move **1** on **(Strum to fade...)**
