**Johnson Mountain Boys** Bluegrass Classic, Key of **B** My Key: \_\_\_\_

**INTRO:** **4 1** , **5 1** , (extra two beats)

**1** Darkness brought a winter chill that settled on our **4** town  
It **1** brought a stillness to the streets as everything closed **5** down  
**1** Darkness is so unforgiving, nights got cruel and **4** mean  
The **1** sun may bring the light to streets  
But-it doesn't, help me **4** see  
It just don't **5** bring (*STOP*) you back to **1** me

**INSTRUMENTAL:** **1** , **1 4** , **4 1** , **1** , **5**  
**1** , **1 4** , **4 1** , **1 5** , **1**

**1** Winter brought its icy winds so cold I thought I'd **4** freeze  
It **1** turned the leaves and slowed the stream  
That ought to run so **5** free  
**1** Winter brings the longest nights that never seem to **4** leave  
And the **1** longest nights I ever felt  
Are the ones when I can't **4** sleep  
It just don't **5** bring (*STOP*) you back to **1** me

## **INSTRUMENTAL**

I'll **1** never know what brought it on, just why you walked a- **4** way  
A **1** thousand nights I've asked myself if I could make you **5** stay  
I **1** try to close my mind to thoughts that taunt me night and **4** day  
The **1** winter wind still calls your name  
As it blows down through the **4** trees  
Your memory **5** just (*STOP*) won't let me **1** be

**OUTRO:** Same as **INTRO**
