On a **1** day like today, we **4** passed the time a- **2** way  
Writing **5** love letters in, the **1** sand

Take **5** our love letters, in the **1** sand

You made a **3** vow that you, would **6** always be true  
But **2** somehow, that vow meant **5** nothing to you  
Now my **1** poor heart just aches **1'**  
With **4** every wave that **2** breaks  
Over **5** love, letters in the **1** sand

The **1** sunbeams kiss the sand  
My **4** fate was in your hands
