There was a **1** girl, I loved so **4** dearly  
She lived a- **5** way, back in the **1** hills  
When the-bluebird **1** sings, I miss my **4** darling  
She-loved me **5** I know, she always **1** will

## **CHORUS:**

There's-a bluebird **1** singing (there's a bluebird singing)  
In the Blue Ridge **4** Mountains (in the Blue Ridge Mountains)  
It's calling **5** me, back to my **1** home  
Oh I can **1** hear (Oh I can hear)  
Those bluebirds **4** calling (those bluebirds calling)  
Calling **5** me, back to my **1** home

## **INSTRUMENTAL: Same as INTRO**

Now-tonight I'm **1** far, from the Blue Ridge **4** Mountains  
Far from my **5** home, back in the **1** hills  
But-I'm going **1** back, to the Blue Ridge **4** Mountains  
These memor- **5** ies, they haunt me **1** still

## **CHORUS / INSTRUMENTAL**

When I reached my **1** home, I was so **4** lonely  
The one I **5** loved, had gone a- **1** way  
That bad news **1** came, from her **4** mother  
She's sleeping **5** there, beneath the **1** clay
