

Seven Miles From Wichita - Carrie Hassler

Bluegrass Contemporary, Key of **D** My Key: ____

INTRO: **1** **5** , **6m** **4** , **1** **5** **4**

VERSE 1: Seven miles from **4** Wichi- **1** ta
Headin' back to **5** Oma- **6m** ha
Stuck in traffic **4** all be- **1** cause, I gotta get to **5** you,
Drivin' down the **4** inter- **1** state, givin' up this **5** job I **6m** hate
Praying that it's **4** not too **1** late, for me to get to **5** you,

CHORUS: You have **4** never left my **1** mind
You **5** get to me all the **6m** time
A **4** whisper from be- **1** hind
In the **5** stillness of the night
Can't ig- **4** nore it any- **1** more
Gotta find my **5** way to your **6m** door, hoping that you
4 feel like I **1** do, and that **5** I,
Still get to **6m** you **4** , **1** **5**
(**2nd time:** Yeah) **6m** **4** , **1** **5**

Seven miles from **4** Wichi- **1** ta, I can barely **5** breathe at **6m** all
Even if I **4** have to **1** crawl, I've gotta get to **5** you,

I left to make it **4** on my **1** own
Now-I don't wanna **5** be a- **6m** lone
Baby now I'm **4** comin' **1** home, just to get to **5** you

CHORUS

Yeah **6m** **4** , **1** **5** , **6m** **4** , **5**
