 From the **4** hell and the **5** hurt
 That **1** led, **5** me **6m** straight **5** to **4** this
 Here's to the **5** trains, I **1** missed

 And the **6m** little hope I held on to
 With a **4** silver, shi,ning thread, of faith

 And the **6m** mo,ment I found myself
 Right where **4** I'm, supposed, to be,
