1 Huntin' awful hard, if you ain't got a dog
1 Jeffrey's, was the best, I've heard **4** tell
One **1** night out chasin' **7^b** coons, under a full **4** moon
He **1** lost him up the **5** holler by the **1** trail,
1 Jeffrey told his wife, honey please don't cry
You **1** know I know these woods like no one **4** can
I'll **1** find that dog to- **7^b** night, or go, to hell **4** tryin'
But she **1** never, held him **5** in her arms a- **1** gain

CHORUS:

See that **1** lamp, burnin' bright, he's there another night
1 Listen close and you can hear him **4** yell
1 Keep your lamp trimmed low, there's not much more to go
As they **1** walk another **4** night in Jeffrey's **1** hell

INSTRUMENTAL: Same as INTRO

1 Jeffrey and his boy, set off up the woods
Where the **1** only trail they had, was one they'd **4** made
But in the **1** laurel and the **7^b** pines
There ain't never been a **4** sign
Of **1** them, or the **5** dog that caused their **1** fate,
Now a **1** hundred years have passed, since Jeffrey lost his dog
I've **1** never seen him there, but I've heard **4** tell
If **1** you're out chasin' **7^b** 'coons, under, a full **4** moon
You'll **1** see that coal oil **5** lamp and hear him **1** wail
