

# Country Strong - Carrie Hassler

Bluegrass Contemporary, Key of **G** My Key: \_\_\_\_

**INTRO:** **1** , **1** , **1** , **1**

I know you **1** see me, like-some **4** wide eyed **1** dreamer  
That just rolled **4** in off, a dusty Midwest **5** bus  
On the **1** outside, **4** I look **1** fragile  
But on the **6m** in,side is **5** something you can't **4** crush

**CHORUS:**

'Cause I'm country **1** strong, **4** hard to **1** break  
Like the **4** ground, I grew up **1** on  
You may **1** fool, me and I'll fall  
But I **4** won't, stay down **5** long  
'Cause I'm country **1** strong, (no extra measure last time)

I have **1** weathered, **4** colder **1** winters  
I've-been-through **4** summers, without a drop of **5** rain  
Push me, in a **1** corner, and I'll **4** come out fighting  
I may **6m** lose, but I'll **5** always keep my **4** faith

**CHORUS**

**TURNAROUND:** **6m** **5** , **4**

I'm country **1** strong,, **4** hard to **1** break
