

I Wish You Knew - Louvin Brothers

Bluegrass Classic, Key of **C** My Key: ____

CHORUS: I **1** wish, you **4** knew

How **5** hard I've tried to tell you

How **4** hard I've tried to get you off my **1** mind

I **1** wish, you **4** knew

How **5** hard I've tried to sleep at night

4 Since I know that you're no longer **1** mine

4 Since you let an- **5** other beat my **1** time

If **1** only half the things were true you say about my **5** heart

Then **5** I could have forgotten you since we've, been a- **1** part

You **1** said I forced my lips to kiss you when we said good- **5** bye

And you **5** even said I forced the tears that came into my **1** eyes

CHORUS

INSTRUMENTAL: 2X (1 , 4 , 5 , 4 , 1), 4 5 , 1

There's **1** not a thought that could be worse

than knowing that you're **5** gone

But **5** in the picture in your mind I'm never all a- **1** lone

You **1** see me in another's arms, the way I've been with **5** you

But the **5** way I cry for you each night

I only wish you **1** knew (STOP)
