## **CHORUS:**

Like the 1 weather your heart 1<sup>7</sup> changes with each 4 season

5 Springtime, summer fall and winter 1 too

Though I 1 know I'll never 1<sup>7</sup> understand the 4 reason

I still 5 wonder why each season changes 1 you

In the 1 springtime, you're love 1<sup>7</sup> found me like a 4 flower

And your 5 love grew warmer with the summer 1 sun

Came the 1 fall, and I could 1<sup>7</sup> see your love was 4 changing

Broke my 5 heart to see what the wintertime had 1 done

## **CHORUS**

And the 5 winter brought the same old miser- 1 y
