1 In, a quiet country village stood a **4** maple on the **1** hill
1 Where, I sat with my Geneva long a- **5** go
1 As, the stars were shining brightly
we could **4** hear the whippoor- **1** will
1 As we sat beneath that **5** maple on the **1** hill
1 We, would sing love songs together
while the **4** birds had gone to **1** rest
1 We, would listen to the murmur o'er the **5** rail
1 Will, you love me little darlin' as you **4** did those starry **1** nights
1 As we sat beneath that **5** maple on the **1** hill
