**Bluegrass Cardinals** Bluegrass Classic, Key of **G** My Key: \_\_\_\_

**INTRO:** **4** **5** , **1** , **1**

I walked out one **1** night, for a ramble 'round  
I didn't mean to **1** stay, just to-view the **5** town  
When I saw her **4** smi,ling from a- **1** far  
And she walked in- **4<sup>7</sup>** to, **5** that crossroads **1** bar  
Well I walked in- **1** side, and I sat me down  
Ordered sweet red **1** wine, and I-drank it **5** down  
She came and **4** sat, beside me **1** there  
With her-dark brown **4<sup>7</sup>** eyes, **5** and her-red red **1** hair

**INSTRUMENTAL:** **1** , **1** , **1** , **5** , **4** , **1** , **4<sup>7</sup>** **5** , **1** , **1**

I told her **1** that, I loved her true  
Anything you **1** want, I'll surely **5** do  
Said a-man like **4** you, won't get too **1** far  
With a-girl like **4<sup>7</sup>** me, **5** from the crossroads **1** bar  
I like smoky **1** lights, and a-lonesome song  
And I-won't do **1** right, if-I can do you **5** wrong  
You want the-moon a- **4** bove, but-I'm the darkest **1** star  
And you won't find **4<sup>7</sup>** love, **5** at the crossroads **1** bar

**INSTRUMENTAL**

Come all my **1** friends, take my advice  
Keep your-love at **1** home, with your-lovin' **5** wife  
You're better **4** off, than you think you **1** are  
And you won't find **4<sup>7</sup>** love, **5** at the crossroads **1** bar  
No you won't find **4<sup>7</sup>** love, **5** at the crossroads **1** bar
