You said we're **5** through,
Now I don't **1** cry, like I used **5** to
She took your **1⁷** place, what can I **4** do
Don't blame me **1** now, I know some- **5** how, I'm over **1** you **1⁷**

I don't know **4** why, it took so long
To real- **1** ize, you'd done me wrong
I've been a **6m** fool, for saving **2** all, my love for **5** you,
But now I **1** feel, like my old **5** self
I've put your **1⁷** love, back on the **4** shelf
