

Steel Rails - Alison Krauss

Bluegrass Contemporary, Key of **E** My Key: ____

INTRO: **1** , **1** , **2m** , **2m** , **4** , **5** , **4** , **1** , **1**

CHORUS:

Steel **1** rails, chasing **2m** sunshine round the bend
4 Winding through **5** trees, like, a **4** ribbon in the **1** wind
I don't **1** mind, not knowing **2m** what lies down the track
'Cause I'm **4** looking, out a- **5** head
To keep my **4** mind, from turning **1** back

It's not the **1** first time, I found my- **2m** self alone at dawn
If I **4** really, had you **5** once
Then I'd **4** have you, when I'm **1** gone
Whistle **1** blowing, blowing **2m** lonesome in my mind
4 Calling me a- **5** long, that never **4** ending, metal **1** line

CHORUS

INSTRUMENTAL: Same as **2X INTRO**

Sun is **1** shining, through the **2m** open box car door
4 Lying, in my **5** mind, with the **4** things I've known be- **1** fore
I've lost **1** count, of the **2m** hours, days, and time
The **4** rhythm of the **5** rails, keeps the **4** motion in my **1** mind

CHORUS

Cause I'm **4** looking, out a- **5** head,,,
To keep my **4** mind, from turning **1** back **5** **1**
