

Passin' Thru - Dale Ann Bradley

Bluegrass Contemporary, Key of **B** My Key: ____

INTRO: **1** , **1** , **1** , **3^b** **4**

I have **1** stood up on the mountain, seen the other side
1 Wrestled with the devil, I have **3^b** wrestled with my **4** pride
1 Been down in the valley, stood out in the rain
1 Seen my love forsaken, felt the **3^b** pleasure and the **4** pain
But there's **4** one thing that's for certain, one chord that rings **1** true,
It's a **5** mighty world we live in, but the **4** truth is
We're **5** only passin' **1** through,

I have **1** cried in tears of sadness, cried in tears of joy
1 Found the life I'm livin', from the **3^b** peace within the **4** noise
I have **1** turned my back on hatred, finding prejudice and greed
Now the- **1** future and the present, they're a **3^b** pod within a **4** seed

CHORUS:

There's **4** one thing that's for certain
One chord that **1** rings, so true
It's a **5** mighty world we live in but the **4** truth is
We're **5** only passin' **1** through,
Passin' **4** through,, passin' **1** through,
It's a **5** mighty world we live in, but the **4** truth is
We're **5** only passin' **1** through,

INSTRUMENTAL: **1** , **1** , **1** , **3^b** **4** , **4** , **4** , **1** , **1**
5 , **4** **5** , **1** , **1**

I have **1** seen the bucket empty, seen the well run dry
There's **1** water, down the road, and I'm **3^b** only goin' **4** by
I **1** sittin' on that rail, when the chances come to knock
I will **1** make it where I'm goin', standin' **3^b** tall just like a **4** rock

CHORUS

Passin' **1** through,, passin' through,
Passin' **1** through,, alone, passin' through,

OUTRO: **5** , **4** **5** , **1**
