I **2m** saw this guy and girl tonight

Re- **2m** minded me of you and I, **1** in better days

And that's all it **5** takes

## CHORUS:

I get that **1** heart, achin', **7<sup>b</sup>** on the edge of **4** breakin'

A **5** never ending road that's twistin'

**5** tak,ing-me back to where, we were back **1** then

I get that **1** high, lonesome, **7<sup>b</sup>** low down and **4** then some

**5** Whiskey drinkin', what, was-I thinkin'

**5** Why, I-ever left you feel,in' a- **1** gain

It's **2m** been forever since I've seen ya

The **2m** grass still isn't any greener **1** on, the other side

**2m** Someone told me live and learn

**2m** Play with fire and you'll get burned

And I **4** did, and I'm payin' the **5** price

**5** Why, I-ever left you feel,in' a- **1** gain
