

# ***That's Tennessee - Special Consensus***

Bluegrass Contemporary, Key of **G** My Key: \_\_\_\_

**INTRO:** **1 4** , **1 4** , **1 5** , **4**

**1** Try to picture **4** heaven, **1** tell me what you **4** see

Some **1** say there's angels singin'

And **5** gold all through the streets

If it's **1** where I'd spend for- **4** ever

With my **1** friends, and famil- **4** y,

To **1** me, **5** that's, Tennes- **1** see **4** , **1 5** , **4**

**1** There's nothin' like the **4** Opry, if you **1** want to live a **4** dream

Mmm, **1** sweet taste of whiskey, from **5** bottle of, J D

**1** , It's-the Great Smoky **4** Mountains

Just as **1** far as you can **4** see,

And-to **1** me, **5** that's, Tennes- **1** see

## **CHORUS:**

'Cause it's where I can **4** sing, where I can **1** dance

And-be who I **5** am, be given, the **1** chance

In the land of the **4** free, and southern hospitali- **2** ty,

To **1** me, **5** that's, Tennes- **1** see

## **INSTRUMENTAL:** Same as **2X INTRO**

**1** I've been a lot of **4** places, many **1** miles from Tennes- **4** see

**1** Wasn't always easy, when it **5** came my, time to leave

But if **1** home is where your **4** heart is

Then it's **1** where I long to **4** be,

And to **1** me, **5** that's, Tennes- **1** see

## **CHORUS**

**SLOW DOWN:** **4** Yeah, to **1** me, **5** , that's, Tennes- **1** see.
