

# ***Heartaches and Teardrops - Cedar Hill***

Bluegrass Contemporary, Key of **G** My Key: \_\_\_\_

**INTRO: 2X** ( **1** , **1** , **4** , **1** ) , **1**

I worked my **1** fingers, clean to the bone  
Tryin' to **4** make her, a happy **1** home  
But all she **1** gave me, was a troubled mind  
Heartaches and **4** teardrops, they're left be- **1** hind

## **CHORUS:**

Heartaches and **1** teardrops, no peace of mind  
Since she has **4** left me, that's all I'll **1** find  
But I can't **1** hide, from, can't run away  
Heartaches and **4** teardrops, they're here to **1** stay

## **INSTRUMENTAL: Same as INTRO**

Heartaches are **1** many, teardrops like rain  
I played for **4** true love, you-we're playing the **1** game  
Now I've been **1** cheated, lied to and scorned  
Your love is **4** colder, than a winter **1** storm

## **CHORUS / INSTRUMENTAL**

Maybe some- **1** where, on down the line  
You'll find an- **4** other, who's not so **1** kind  
And maybe **1** then, you'll understand  
The lonesome **4** feel, in's, of a broken **1** man

## **CHORUS / INSTRUMENTAL**

## **CHORUS**

Heartaches and **4** teardrops, they're here to **1** stay

4 = C
