I can **1** hear the needle poppin', to that-old familiar sound
Of Chet **6m** Atkins playing Freight Train
As the **6m** record spins a- **1** round
2m Life went on around me, so **1** I just went along
But my **2m** mind was never **3m** too far
From the **4** music or the **5** songs,

CHORUS:

From that old **4** RCA, phonograph, record time machine
It **1** took me to the places, that were-only in my dreams
3^b I've been a- **2m** round the world, **1** played on every scene
Through-that old **2m** RCA, **3m** phonograph
4 Record **5** time ma- **1** chine
